INSTRUCTIONS

If you applied for the CVA Pending Practical Experience (PPE) membership type, your certification is contingent upon the completion of 500 hours of practical experience within **one year** of your CVA test date.

At least 250 of the hours must be completed in a veterinary hospital setting with a DVM or CVT in direct supervision of your responsibilities caring for live animals. Up to 250 of the 500 hour total may be lab time within your school program.

Failure to complete this work experience requirement within one year from your testing date will cause your certification to expire without any option for renewal.
